Attention Children - Santa Claus is Coming to Albota!

23 dec – 26 (27) dec 2024

ALL INCLUSIVE

Day 1 - Monday, December 23, 2024 - Arrival

We are expecting you to arrive in the afternoon. In the restaurant of the Complex, you will be welcomed with baked apples, mulled wine, plum brandy, or blueberry liqueur, a nice appetizer before dinner is served.

At 19:30 - Dinner is served.

Day 2 - Tuesday, December 24, 2024 - Christmas Eve - The day of rituals

After breakfast, you are invited to the traditional pig slaughter ritual. After the singeing, there will be a photo session for children themed "riding the pig." Before cutting the pig, we toast with a glass of hot plum brandy or tea with the butcher, ensuring the bacon stays white and does not go rancid. Adults and children alike will be served freshly cut pork rind, ears, and tail. This unique taste and experience are unforgettable. The children, especially the ones feeling cold, are welcome to participate in making **Christmas tree decorations**.

From 14:00 to 15:30 - Traditional pig feast. A soup and an "Arpasean stew" will warm you up and prepare you for the next event: a group of children from Arpasu will sing local Christmas carols, followed by a group of horse-riding carolers, who arrive on decorated horses.

At 17:00 - Tourists, especially children, are invited to join the personnel of the Trout Farm to search for hidden decorations placed by "Elves" within the Trout Farm premises. The evening will be spent decorating the Christmas tree, accompanied by Romanian carols! Guests are kindly requested to bring a unique ornament so the tree can have something special from each person.

At 19:00 - Welcoming Santa Claus with his sack full of presents. This evening is especially dedicated to children, and we will do our best to ensure they are pleasantly surprised by Santas appearance and the gifts they will receive. The Christmas Eve night will end with surprises, carols, the smell of fir trees, and festive lights, joyfully awaiting the birth of the Lord.

Day 3 - Wednesday, December 25, 2024 - Christmas Day

From 08:30 to 10:30 - Breakfast

At 10:00 - Martin Miller, the owner of the Albota Tourist Complex, invites you for a walk through the Trout Farm, where you will learn interesting things about the area, the Arpasel Reserve, the hydroelectric power plant, trout farming, and household annexes (bakery, butcher, smoker, cellar,...). We continue with a "cultural tour," a short trip to the Evangelical Church in Carta, where Misch, the "priest of the Saxons," will welcome you with a traditional Saxon snack and interesting information and legends about the Cistercian monks and their monastery, built in the 13th century in early Gothic style.

From 14:00 to 16:30 - **SPECIAL CHRISTMAS LUNCH accompanied by a choir recital.**

The afternoon is reserved for active relaxation, walking through the Trout Farm or the surroundings on foot.

The sauna and jacuzzi will also be available to tourists. Children are expected in the Pavilion at the "Elf School," where they will be initiated into the secrets of painting, handicrafts, watch video projections, and participate in various fun contests. Upon departure, children will receive a graduation diploma from the Elf School.

At 20:00 - **CHRISTMAS DINNER and the evening surprise.**

The Christmas dinner is a buffet with a varied menu, traditionally featuring pork roast with polenta and sauerkraut. Then, enjoy a bonfire, mulled wine, and plum brandy, followed by a Christmas party with **DJ music**, dancing, and a **PHOTO CLICK booth**.
